

BALA MURALI N

B.E. Computer Science Engineering

 balamurali48171@gmail.com  [9790443502](tel:9790443502)  <https://www.linkedin.com/in/bala-murali-n-38814436a>

Final year student with hands-on project experience in Web Development, IoT, and Machine Learning — built with AI-assisted guidance — holding foundational knowledge in Java, HTML, CSS, SQL, and Groovy, with practical exposure as a Workshop Assistant for a Web Development program.

Experience

Web Development Intern | AramAnalytics | Nov 2025 – Dec 2025

- Built responsive web applications using HTML, CSS, and JavaScript.
- Debugged issues and optimized performance with the development team.

Full Stack Java Trainee | Elysium Academy | Sept 2025 – Oct 2025

- Trained in Core Java, JDBC, Servlets, and JSP with full-stack development.
- Built web applications integrating frontend, backend, and database connectivity.

HackSphere 2025 | WinnerSpot Finder (1st Place) | Sept 2025

- Developed an innovative solution within a 24-hour hackathon.
- Secured 1st place by presenting the final product to judges.

Education

Bachelor of Engineering(B.E) - Computer science Engineering	P.S.R Engineering College, Sivakasi
CGPA: 8.68/10	2023 - 2027

SSLC & Higher Secondary Education	Lakshmi Srinivasa Vidhalaya Hr.sec School, Kovilpatti
Class XII: 90%	2022 - 2023

Project

Smart Parking System IoT

- Designed a smart parking system using IoT sensors to detect and monitor vehicle occupancy in real time.
- Implemented automated slot availability updates to reduce parking search time and improve traffic flow.

Metal Hardness Identifier Flutter | AI-Assisted

- Developed a Flutter mobile application to identify and classify the hardness of metals.
- Integrated classification logic to analyze material properties and display results through a clean mobile interface.

Certifications

Cloud Computing - NPTEL
SQL Practice: Basic Queries - LinkedIn Learning
Learning Groovy - LinkedIn Learning
Java Practice: Collections - LinkedIn Learning
Learning Data Analytics - LinkedIn Learning

Achievements

First Prize – Intra-College Hackathon, Hacksphere 2025, P.S.R Engineering College.
Participant – Ideathon, Nectechfest’25, National Engineering College.
Participant – Hackathon, TechnoVerse 2026, Cognizant.

Technical Skills

Languages: Java, JavaScript | Web: HTML, CSS | Database: MySQL | Tools: Git, VS Code, Eclipse | Others: Flutter | IoT (Basic)

Area of Interest

- Web Development
- IoT
- Problem Solving
- Data Structures & Algorithms

Area of Improvement

- Communication
- System Design
- Time Management
- Leadership
- Critical Thinking
- Networking

Personality Traits

Self-Motivated | Detail-Oriented | Team Player | Quick Learner | Curious | Goal-Driven

Languages

Tamil | English
